

**Queen of Peace Catholic School**  
**Tuition Agreement/Tuition & Community Service Agreement**  
**2024 – 2025 School Year**

**Every Catholic family has a duty to provide Catholic education to each of their children.**

Recognizing the responsibility this lays on today’s families, this school was founded *with the mission of making faithful Catholic education available and accessible to all*, regardless of circumstance.

**Tuition covers cost:** The budgeted annual cost of operating our school is shared among an estimated 115 full-time and part-time students, the 2024 - 2025 cost of education covered by tuition fees is:

- Tuition for a full time preK-8<sup>th</sup> grade student - **\$9,394**;
- Tuition for a 3-day preK student - **\$5,636**;
- Tuition for a 2-day preK student - **\$3,757**.

**2024 - 2025 Terms of Enrollment**

*Unless otherwise arranged,\** families choose from two standard tuition strategies: **Tuition** alone means covering the costs above; **Tuition & Community Service (T&CS)** means accepting tuition subsidy from the parish/school community, paying a reduced tuition, and committing to work within the community in return.
